Safety Moment

Suncor

Safety behavior in the workplace should be the same at home. Observed neighbour working outside with ladder by himself. Freezing rain in forecast and all surfaces were slippery. Stepped in to hold ladder to prevent potential incident while working alone at home.

Reviewed Previous Minutes

Front seat by entry door of the S92 by aux tank

Cougar and CNLOPB have arranged a session to demonstrate egress from this seat at Faulk on April 9, 2018 @ 09:30.

Future Agenda items/ New Business

Code of Practice for Transportation by Helicopter

CNLOPB, Operators and CAPP, early-mid April meeting with stakeholders to develop. Using transportation by vessel as template. HOSC membership to be included as well as workforce rep.

Extended flying day

JOSH to have senior operator rep to attend meetings offshore to provide update on extended flying day. Worker engagement into extending the flight day continues to be a standing item discussed at HOSC.

Manifest Discrepancies

ExxonMobil present at Cougar to review the manifest process and no issues to report.

CNLOPB Safety Forum

Scheduled for April 10-11th, presentation on Piper Alpha 30th Anniversary, HOSC presentation

Helicopter Operations Safety Committee (HOSC)
